

## LUPUS ONTARIO – Support Group Handout Questions To Ask The Doctor **Questions To Ask The Doctor**

List any questions you need to ask your doctor. Make several copies to prepare for each doctor's appointment.

| Doctor's Name:              | Specialty: |
|-----------------------------|------------|
| Appointment Date and Time:_ |            |

| Question | Doctor's Answer |
|----------|-----------------|
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
|          |                 |
