If you or anyone you know is interested in hosting a virtual walk in your community we are always looking for people to help us grow this campaign! We are stronger in numbers! Please contact the office at info@lupusontario.org for more information on how you can help.

MISSION STATEMENT

Lupus Ontario is a team of caring and enthusiastic volunteers and staff who are passionately committed to helping those with lupus live longer and better by raising funds that deliver vital support, education, awareness and research

Geoff Carr Lupus Fellowship

2018/2019

Dr. Anita Dhanrajani:

Dr. Anita Dhanrajani received her medical degree from Terna Medical College and Hospital in Mumbai, India. She has been in Canada since 2014, completing a Fellowship in Pediatric Rheumatology at the University of British Columbia and in 2016, completing a Clinical and Research Fellowship in childhood vasculitis at the University of Toronto.

Dr. Dhanrajani is completing her Geoff Carr Fellowship research and clinical studies at the Hospital for Sick Children under the supervision of Dr. Deborah Levy. Her research is focused on the long-term outcomes of patients with childhood systemic lupus transitioning to adult lupus clinics. Her long-term goal is to establish dedicated comprehensive childhood systemic lupus clinical care programs in Canadian centres where they do not currently exist and to translate her research into direct patient care.
