

March 2022

I am very pleased to extend my greetings on the 35th Annual Italian Dinner and Silent Auction Fundraiser in support of Lupus Ontario. I know how important this event is to Sabrina Dussin and her son Matthew, as I have had the honour of meeting them at previous gala's, and have seen how much work and dedication that they have put in to help spread awareness on this under-recognized disease.

I understand how vital this fundraiser is for Lupus Ontario as it is a conduit for spreading awareness to this disease. It also provides much needed funding for research, as well as essential support to lupus patients and their families.

I offer my support to help spread the much-needed awareness of this debilitating disease. I know that your upcoming fundraiser will be a huge success and that you will exceed your goal of raising \$15,000!

Best Wishes,

Linda Jackson
Local and Regional Councillor, City of Vaughan
